Locq 'n Load SMART LINE

The Locq 'n Load Smart Line range combines ease of use, safety and smart charging features in a comprehensive solution.

Thanks to its comprehensive standard equipment and intelligent power distribution, this charging solution is immediately ready for use in a professional environment.

- **Fully equipped**
  Includes a modem, a SIM card and a 63 A connection plug.
- **Safe charging**
  Protection via a Type B residual current device (RCD) per charger, load balancing and RFID.
- **Smart management and payments**
  Billing and an overview of charges via the Smappee portal; payments by VISA card (or other cards) for public charging. Optional current measurement at the source for optimal use of available power.
